## **INSTRUCTION TO THE BIDDER**

1. The tender should be submitted as per the tender document along with EMD and other mandatory documents.
2. The bidder should attach the following documents with the tender/quotation otherwise the bid will be rejected out rightly:
  - a. Photocopy of PAN Card.
  - b. Photocopy of GST Registration Certificate
3. The cover duly super scribed with the statement "Tender for Supply & Installation of Note Sorting Machine (1+1 pocket) and Note Counting Machines with fake note detector at the Branches/Offices of J&K Grameen Bank" must contain the address of the Bidder and shall be addressed to The General Manager, J&K Grameen Bank, Head Office Narwal, Jammu-180006.
4. The offer submitted should give all relevant price information and should not contradict any terms and conditions.
5. The tenderer should sign and affix his/her firm's stamp at each page of the tender and all its related documents as the acceptance of the offer made by the tenderer will be deemed as a contract and a formal agreement will also be drawn regarding the contract.
6. Bidder must submit the technical & Price bid/s for the item in separate envelopes and all these envelopes should be placed in a single envelope super scribing "Tender for Supply & Installation of Note Sorting Machine (1+1 pocket) and Note Counting Machines with fake note detector at the Branches/Offices of J&K Grameen Bank.  
**Please note that there are 2 price bids in this Tender document. Kindly enclose each price bid in separate envelopes clearly mentioning Price Bid for specific Machine. The bids shall be rejected if the price bids are not submitted in separate envelopes.**
7. Training must be provided to minimum 02 staff members of the concerned Branch for operating the machine after installation. A certificate may be provided in this regard duly verified by the staff member along with his code (to whom the training has been provided).

## **Tender Documents**

1. Sealed tenders are invited from authorized dealer for Supply and Installation of Note Sorting Machines (1 + 1 pocket) and Note Counting Machines *with fake note detector* at various Branches of J&K Grameen Bank Head Office, Narwal- 180006.

### **2. Tender Process and submission of Tender documents:-**

- (i) The bid/tender will consists of two parts- technical bid and financial bid/bids. Each of the bids are to be placed in separate sealed envelopes clearly superscribing “Technical bid” and “Financial bid” which in turn are to be placed in one sealed cover clearly subscribing “ Tender for Supply and Installation of Note Sorting Machines (1+1 pocket) and Note Counting Machines”. The bid of all the parties whose price bid is not in a separate sealed cover or the rates quoted by them are mentioned in their Technical Bid shall be rejected forthwith.
- (ii) The offers/bids received incomplete and / or filled after the due date shall be summarily rejected.
- (iii) The financial bids of only those parties shall be opened whose Technical Bids are found to be eligible.
- (iv) The bank reserves the right to withdraw the tender at any stage without assigning any reason. The institute reserves the right to accept or reject any or all tenders without assigning any reason. In case of any dispute of any kind and in respect of whatsoever, the decision of the Competent Authority will be final and binding.
- (v) The tender documents must be received latest **by 02.02.2022 before 12 noon**. The documents received after due date & time due to any reason even postal delays shall not be accepted.

### **3. Authenticity of the tender document:-**

Each page of the tender document along with enclosures must be signed by the bidder.

### **4. Earnest Money:-**

- (i) Tender documents must be accompanied with Earnest Money of Rs. 25,000/- (Rupees Twenty Thousand only) in shape of CDR/FDR in favour of “General Manager, J&K Grameen Bank, H.O. Narwal, Jammu” failing which tender will not be accepted.
- (ii) Cheques will not be accepted.
- (iii) No earnest money will be accepted after the due date and time of submission of tender document.
- (iv) Earnest money deposit with other tender will not be adjustable with this tender.
- (v) If a bidder withdraws its offer after opening of Technical bid or Financial Bid before award of tender to other valid bidder, the earnest money deposited by them will be forfeited.

### **5. Refund of Earnest Money:-**

Earnest money deposited by the unsuccessful bidder will be refunded to bidder at the earliest after finalization of the tender. EMD of successful bidder will be converted and retained as Security Deposit and will be returned after expiry of Comprehensive Annual Maintenance Period of the respective machines subject to submission of satisfactory reports from concerned Branch Head/Incharge. Unsatisfied Performance EMD shall be forfeited.

### **6. Rates:-**

- (i) Rate/bid/offer must be without any condition, assumption, qualification, reservation or variation. Rate/bid/offer must be mentioned in prescribed Performa in figures and in words in respect of each item separately. In case of any discrepancy, rates quoted in words will prevail. Conditional tender offer or offer at variance from prescribed specification would be ineligible to compete for the tender. Prices and price components shall be firm and shall not be subject to any price variation or adjustment on account of any price escalations throughout the execution of the contract.

- (ii) The bidder shall quote their rate inclusive of all taxes and installation charges.
- (iii) The lowest bid will be arrived on the basis of cumulative prices of all items.

**7. Subletting of Contract:-**

The successful bidder shall not be allowed to sublet/subcontract the contract to any other contractor.

**8. Completion Period:-**

- (i) Contract has to be completed **within a period of 10 days from date of receipt of order/award of the work.**
- (ii) Rs.500/- per day shall be imposed as penalty if the work is not completed within the stipulated time as mentioned above, upto a maximum of 10 more days. Further, any delay shall invite strict action against the vendor including termination of contract/blacklisting as decided by the Bank.

**9. Eligibility Criteria for bidder:-**

- (a) The Bidder should have been in the line of Supply, Installation, Testing and Commissioning of 'Note Sorting Machine Business' at least for last three years in India as on 30.11.2021. (Order copies should be enclosed to verify the same).
- (b) The Bidder should be a profit making firm/company in India during the last 3 financial years. (CA certificate/ P & L account statement/Balance sheet to be attached).
- (c) Bidder shall have a minimum annual turnover (Sales) of Rs.25 Lakhs during each of the past three years as on March 31, 2021. (CA certificate/ P & L account statement/Balance sheet to be attached).
- (d) The Bidder should have successfully supplied & installed Note Sorting Machine (1+1) and Note Counting machines to Public Sector Banks/Commercial Banks / RBI/Other PSUs/Financial Institutions during last 03 years, as per the following:
  - Supplied and Installed 25 Note Sorting Machine (1+1) Machine during the last three years ending 30/11/2021

- Supplied and Installed 60 Note Counting Machines with fake note detector during the last three years ending 30/11/2021
- (e) The Bidder should have exclusive support infrastructure for maintenance of NSMs through their competent engineers. The Bidder should have one (02) service set ups/network spread across UT of J&K for such support manned by its own staff. Min. 02 Service Centres required - 01 at Jammu and other at Srinagar
- (f) The Bidder should be at least ISO 9001:2000 Certified company.
- (g) The model quoted by the bidders should have been released / operational in the India for at least one year as on 30.11.2021 (for which proof shall be furnished) confirming to the technical specifications

## **Terms and Conditions:-**

### **1. Name of the work:**

Supply, Installation, Testing and Commissioning of Supply and Installation of Note Sorting Machines (1+1 pocket) and Note Counting Machines *with fake note detector* with Technical Specifications as laid down and agreed by the party.

### **2. Scope of work:**

- a. The supplier shall accept full responsibility for the correctness & faultlessness of the equipment so that the purpose of installation is served with maximum operational dependability and efficiency.
- b. Except as otherwise provided herein the supplier shall be responsible for supply and there after carry out the necessary installation and successful commissioning.
- c. The Goods and Services supplied under this contract shall conform to the standards offered in the bid submitted by the bidder. The bank is not responsible for any assumptions or judgements made by the bidder for arriving at any type of sizing or costing. The bank at all times will benchmark the performance of the vendor through tender document circulated to the vendors and the expected service levels as mentioned in the documents. In the event of any deviations from the requirements of these documents, the vendor must make good the same at no cost costs to the bank, in order to achieve the desired service levels as well as meeting the requirements of these documents.

### **3. Manner of manufacture:**

- a. The Note Sorting Machine (1+1 pocket) and Note Counting Machine *with fake note detector* to be supplied and all works to be done under this order shall be manufactured and executed in a manner set out in relevant specifications of the Bank.

- b. The supplier warrants to the Bank that upon delivery, all materials, apparatus/equipment to be provided under this order shall be new from original manufacturer, free from any defects and all components thereof will fulfil the performance data characteristics and properties and serve the purpose with maximum operational dependability.

**4. Delivery:**

The Note Sorting Machines (1+1 pocket) and Note Counting Machines *with fake note detector* required shall be delivered and installed within 10 days from the date of the issuance of Order.

**5. Safety:**

The supplier shall at all times conduct his operation in such a manner so as to avoid any risk of bodily harm to persons or damage to property. In addition the supplier shall comply with all applicable safety standard codes and regulations

**6. Sufficiency of quoted price:**

- a. The supplier shall be deemed to have satisfied himself as to the correctness and genuineness of the quoted price. The rates shall cover all his obligations under the order and all matters and things necessary for the proper execution of his supplier obligations.
- b. No price variations shall be allowed for any rise or fall in cost of Labour, materials or any other factors influencing the order price.
- c. Order price quoted shall be inclusive of installation, testing, commissioning and all taxes, duties, levies, inspection charges, and freight up to site, insurance and local taxes.

**7. Retention Money (10% of the total bill amount):**

The contractor warrants to the department that on delivery of all material, apparatus, equipment's and other supplies to be provided under this order will be new and free from material and structural defects and all supplies and components thereof will fulfil the performance guarantee data, and characteristics as laid down in relevant specifications and standards.

**In case of Note Counting Machines with fake note detector, 10% of the total bill shall be retained as Retention money and shall be released 02 months after completion of the Warranty Period.**

**However, in case of NSM (1+1 pocket), 10% of the total bill shall be retained as Retention money and shall be released 02 months after completion of the Warranty Period.**

## **8. Payments**

### **Payments shall be released as under:-**

- (a) 90 % after supply or successful commissioning & installation.
- (b) 10 % of the total bill shall be retained. For details, refer para-7 above.
- (c) TDS as applicable shall be deducted from the bills
- (d) All the payments made are inclusive of all taxes.

## **9. Warranty:**

The bidder shall carry a comprehensive warranty of min. 02 Years from the date of commissioning of Note Sorting Machines (1+1 pocket) and 01 year warranty for Note counting Machines with fake note detector. The supplier at his own cost will resolve any defect developed during this period, which may include replacement of defective part or note counting machine within specified time limit of 10 days and if not done in specified time then Rs. 100 will be imposed per day as penalty till the date the said issue is resolved or completed. The supplier must possess a technical support in J&K so as to provide prompt services during the warranty period.

## **10. Comprehensive Annual Maintenance (CAM) (After the defect liability period)**

The supplier shall maintain all the equipment for a period of **Three** years after the expiry of defect liability period and ensure that it works as per the tendered parameters. The rate of annual maintenance charges shall be furnished for a period of **three** years after the expiry of warranty/defect liability period and the rates quoted shall be binding on the supplier.

## **11. Validity:**

The Tender and rates quoted shall remain valid for our requirement, minimum for One Year.

## **12. Site of Installation:**

The sites of installation are enclosed as Annexure-1 and Annexure-2.

## **13. Checking of records:**

J&K Grameen Bank can at any point of time check the books & records of the firm.

**14.** Bill in duplicate is delivered to be the concerned Branch/Office after Commissioning/Installation of above mentioned

**15. Arbitration and Jurisdiction:** The courts in Jammu (J&K) only shall have the jurisdiction to hear and decide any such suit. Such arbitration shall be governed by the J&K Arbitration and reconciliation Act 1997.

**Technical Specifications For Note Counting Machines with fake note detector**

- Ambient temperature:- 0 °C-40 °C
- Ambient Humidity:- 25%-80%
- Feeding system :- Roller Friction System
- Hopper Capacity : 200 new notes
- Stacker Capacity: 200 new notes
- Counting speed:-1000 pcs/minute or more
- Size of Countable bills:- 50mmX110mm-90mmX190mm
- Thickness of Countable bills:- 0.075mm-0.15mm
- Counting Display: 4 digits
- Batch Display:-3 digits
- Power Supply: AC 220V-/+10% 50Hz; AC 110V -/+ 10% 60Hz
- Power Consumption:-≤80 watts
- The machine should be capable of recognizing the notes of denominations (Old and New) of ₹ 1/-, ₹ 2/-, ₹ 5/-, ₹ 10/-, ₹ 20/-, ₹ 50/-, ₹ 100/-, ₹ 200/-, ₹ 500/- (new), ₹ 2000/- (new).
- Detection: Suspected/Fake Note, Half note, Cut Note & Double Note or equivalent.
- Slots of all current denominations issued by RBI.

**Note:** - The bidder should abide with the revised guidelines, as and when, issued by RBI for new notes.
